## “What Colour Is Your World” by Bob Gill

Read with *The Horseman* by Marc Chagall,  
in the **Bradley Collection of Modern Art, Upper Level.**

In this story, does the artist paint things the way they are,  
or the way he sees them?

Take a look at the painting by Marc Chagall. What colors make up  
the man riding the horse? What colors are used on the horse? Do  
you think Chagall painted this picture from something he saw, or  
something he imagined?

What's your favorite color? As you walk through the Museum's  
Collection, look for art made of this color.
