## “Peter’s Chair” by Ezra Jack Keats

Read in Chair Park, Lower Level.

*All the chairs on the green rug underneath the stairs are part of Chair Park.  
You can sit in any or ALL of these chairs!*

Who is the new person in Peter’s house? What does Peter do when he finds out that his old chair is going to be painted for this new person? What happens when he tries to sit in this chair? In the end, does Peter help paint the chair?

Which chair in Chair Park is most like Peter’s chair?

Which chair is your favorite?
